March 28, 2013

Dear Kris,

I wish you could hear all of the compliments and "wow" that people are saying about our grand selected scenes preview! You were the hit of the evening!!! ~~The~~ documents were of course so fantastic - but you are fabulous! Your explanation and stories were wonderful and bringing

your personality to the mix made
it even that much better.

Thank you for personally driving
with the priceless historical documents -
you made our evening and set the
tone for all good things to come.

We look forward to seeing you
again soon - and working with you
well, into the future. We love the Penncast
just! Warm regards,

Ardice
